NOGALES.

thousand to purchase the necessary furniture.

In June Roy & Titcomb commenced construction of a handsome stone building, which is now approaching completion, with a front of sixty-six feet on Morley avenue, and extending to Nelson avenue, a depth of ninety feet, a short distance north of and across the street from the electric light works. The front of the building is to be fitted up for offices and the rest of the spacious interior is to be used as a warehouse. Its cost will be about eight thousand dollars.

In July Mr. Ed Titcomb erected a three roomed cottage upon his Cañon street property. Mr. W. G. McGinty was the contractor.

About the first of August Mr. J. T. Brickwood commenced construction of a two-story building of brick and stone upon his Morley avenue property, between the L. W. Mix building and the Montezuma hotel. The structure, which is now approaching completion and will be ready for occupancy about the first of February, has a front of sixty-six feet and ten inches and a depth of seventy-five feet. The lower story front is of stone with two broad arches, and the upper story is of brick with stone trimmings, while the side and back walls are of brick. The structure costs about twelve thousand dollars. Otto Kroeger of Tucson, is the architect and W. G. McGinty the contractor. The ground floor is divided into two large store rooms, and the upper story is divided into apartments. It has been leased to Mrs. J. C. Hurley of Globe, who will fit and furnish as a first-class lodging house, which will be ready for business about the first of February. It will be known as the Brickwood House.

In August Mr. Pat Hannan built upon his lot on Morley avenue, just north of Las Dos Naciones Cigar factory, a handsome four-roomed brick cottage, at a cost of twelve hundred dollars. Each room is 14x14 feet clear. W. G. McGinty was the contractor.

In the latter part of October work was commenced upon a new public school building for Nogales school district. The walls are now about finished, and the contract is to complete the structure by the first of February. It will be a handsome brick edifice with two stories and a basement, and will cost fourteen thousand dollars. H. C. Trost of Tucson, is the architect and J. J. Vandervort the contractor.

In November J. B. Brown erected a dwelling 24x30 outside dimensions, upon his property north of the railroad roundhouse. J. F. Bowman was the contractor.

In November Las Dos Naciones Cigar factory erected a brick dwelling on the back part of their premises. Maurice Stevens was the contractor. The structure is used as a family residence by the superintendent.

In November Mr. George Watt erected a four-roomed dwelling upon his lot on Morley avenue, opposite the railroad roundhouse.

Mr. L. Horvilleur completed in December two brick buildings of two stories each, for dwellings. They are on Elias street, in Nogales, Sonora, directly opposite La Moda. Mr. Horvilleur's big store. Mr. Horvilleur also completed about the same time a big four apartment building—dwellings for four families—on the south side of International street, in Nogales, Sonora. The structure is two stories in height.

In December Mr. Andy Bartlett commenced construction of a commodious brick cottage on the west side of Railroad avenue, just north of Crawford street. It is now nearly completed.

Proto Brothers are erecting a four-roomed brick cottage on Nelson avenue. W. G. McGinty is the contractor.

In December Doctor A. H. Noon, who had bought the Hendricks property on Crawford street, west of Sonita avenue, remodelled and improved the building for residence purposes.

Mr. Jos. Pascholy has bought property from Mrs. Avery, on Sonita avenue, north of Crawford street, which he is remodelling, improving an enlarging for a residence.

In December Mr. Ignacio Bonillas completed a building of seven rooms on Arizpe street, at the corner of Pearson, in Nogales, Sonora.

Mrs. Marcus Smith is erecting a two-story adobe dwelling on her property on the north side of International street, west of West avenue.

In December Dr. A. A. Doherty finished a handsome addition on the front of his residence on Avery avenue. Ed Burton was the contractor.

THE OASIS does not claim completeness for the foregoing list. It is made up from the files of the paper through the year, and there we doubtless buildings overlooked.

A SURE CURE FOR COUG.

Twenty-five Years' Constant Use Without a Failure.

The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—twenty-five years' constant use without a failure. For sale by L. W. Mix & Co., Druggists. *
